ABOUT HUSKY	30

GUARANTEED...FOR LIFE.

To us, that means everything. We believe that if you're going to do something, you should do it right, every time. That's why we stand behind our products, because we believe they're the very best vehicle protection products in the world. When we say it's "guaranteed for life" that is exactly what we mean. No hassles, no guff. If you have a problem, we'll replace it.

Life can throw you some real doozies. That's why we're here; to help you protect your Truck, Car, or SUV from the raging torrent of mess, muck, and malarkey that inevitably comes your way, giving you the peace of mind to pioneer forward on that dirt road we call life.

We've Got You Covered.

Ever since we invented the first cargo liner back in 1988, we've been offering the ultimate in floor protection for your truck or SUV. Whether you're looking for X-act Contour's soft, comfortable ride or to protect your center hump with a sporty, sleek WeatherBeater, our wide array of floor protection products have you covered from front to back.

X-act Contour®

Premium Protection and Style.

Perfectly matches the contours of your vehicle with indestructible strength and a soft, comfortable cushion.

WeatherBeater™

Sporty All-Weather Protection.

Rugged and sporty with unbeatable carpet protection for whatever nature hurls at you.

Heavy Duty Floor Mats

Tough & Reliable Work Horse.

Heavy Duty Floor Mats are made ultra tough to take whatever abuse you throw at them.

Cargo Liner

Put The Junk in the Trunk.

Our Cargo Liners protect and defend your trunk and cargo areas from whatever you throw at them.

Mogo™ Automats

Adventure in Style.

Mogo™ luxury liners offer the ultimate in floor protection for your high-end automobile.

Fits your auto. Fits your life.

Mogo floor liners provide adventure in style — with stainless steel accents, and precision fit design that hoses clean in a snap. So go ahead and bring a bit of the sand and sea and snow, not to mention dirty paws, diapers, wetsuits and waders into the pristine interior of your automobile — Mogo has you covered.

- + **Precision Fit:** Perfectly match the contours of your auto.
- + **DuraGrip™:** Both soft and strong, our rubberized DuraGrip material comfortably cradles your feet.
- + **Containment:** Contains the residue from your adventures, until you can pull it out, hose it off — good as new!
- + **Retention posts:** Mogo locks in place — no shifting around floor mats underfoot.

HEAVY DUTY BED MATS

Heavy Duty Bed Mat Protects Your Bed and Your Cargo.

Protect your truck with a precision-fit Heavy Duty Bed Mat from Husky Liners. Made from our rubberized DuraGrip HD™ material, this Bed Mat's built to be used and abused. Whether you're hauling old gym lockers or a new credenza for the den, it will guard against scratches, scuffs, or shifting around in transit.

DuraGrip HD™.

Tough enough to protect your bed — soft enough to protect your cargo.

AirDry System.

Air Dry Nibs slightly elevate the mat — allowing air to pass through and dry moisture out.

Anti-skid Surface.

No more slip and slide. The Anti-skid surface keeps everything in place.

Easy Installation.

Can be installed or removed in just seconds.

We Flap More.

When it comes to Mud Flaps, we've got the goods. We've expanded our catalog to include MudFlaps of all sizes and configurations to protect your ride and those around you. Whether it's a standard height ride or a monster truck, come flap with us.

FormFit™ Mud Guards CUSTOM MOLDED TO YOUR FENDER.

Made from durable, impact resistant all-weather thermo-plastic that's as tough-as-nails (or rocks for that matter).

KickBack™ Mud Flaps MAKE SOME ROOM FOR THOSE HUGE TIRES.

The offset mounting bracket positions your mud flap back, adding extra clearance to protect the world from your huge tires.

Universal Mud Flaps INCREASED PROTECTION FOR YOUR RIDE.

With 12 or 14-inch options, you can cover more than the full-width of your tires for better protection from the road's rage.

Removable Pivoting Mud Flaps ON WHEN YOU NEED EM, OFF WHEN YOU DON'T.

Just slide them off when you don't want them and put them back when you do. It's eaaaaay.

MudDog™ Mud Flaps UNIVERSAL MUD FLAP PROTECTION FOR ALL MANKIND.

Designed to fit most trucks, not only do they look great, but they're built to withstand the rage of the road.

Long John Mud Flaps & Fender Flares IT'S A FLARE. IT'S FLAP. IT'S A FLARE FLAP.

Made from a durable, impact-resistant all-weather thermoplastic, these babies are a snap to install and offer the protection you need.

FORMFIT™
MUD GUARDS

Protects from the Rage of the Road.

Husky Liners® FormFit Mud Guards are made from durable, impact-resistant all-weather thermoplastic that's as tough-as-nails (or rocks for that matter). They're easy to install, conform perfectly to your fenders, and protect your ride and those around you from the rage of the road.

FRONT / REAR / DUALLY

BLACK

Form is Our Function.

Our Mud Guards are tailor fit to match your fenders perfectly. If only our pants could fit like that.

Tougher Than Nails (or Rocks for That Matter).

Our durable, impact resistant all-weather thermoplastic material holds up to whatever the road spits at it.

You'll Be Muddin' in No Time.

So quick and easy to install you'll be on the road to off-roading in no time.

Wider Is Better.

Our Mud Guards are built to the maximum width for full tread coverage of single or dually factory tires. We don't mess around with mess around.

Universal Mud Flap Protection for All Mankind.

MudDog™ not only look better than other mud flaps, they're made from an impact-resistant, tough and flexible material. Designed to fit most trucks, they're so easy to install you'll be back on the road to off-roading in no time.

FRONT / REAR

BLACK / STAINLESS STEEL

Get Your Micro-Groove On.

Our AntiSpray™ material is formed with Micro-Grooves™ that funnel the muck back down to the road.

To Bling or Not to Bling.

Some like it shiny, some don't. Choose between a stainless steel finished accent or go au naturel with MudDog's matte black finish.

Easy Now.

Installation is a snap! Just turn a couple of screws and you'll be back on the road in no time.

Takes a Licking.

MudDog's 12" wide flaps are impact resistant and built to withstand whatever the road throws their way.

KICKBACK™
MUD FLAPS

Better Clearance for Your Monster.

When you have a monster of a truck, you need a monster of a Mud Flap. Our KickBack™ Mud Flaps have an 18-gauge steel bracket that sets the mud flap back to make room for your insanely huge tires, giving you extreme protection and clearance.

FRONT / REAR

BLACK TEXTURED
STAINLESS STEEL

Get Your Micro-Groove On.

Our AntiSpray™ material is formed with Micro-Grooves™ that funnel the muck back down to the road.

Keeps Your Flaps from Flappin'.

Our 14-gauge anchor weights give you the perfect balance of weight and durability.

To Bling or Not to Bling.

Some like it shiny, some don't. Choose between a mirrored finish anchor weight or a matte black finish. We've got both extremes to the extreme!

To Bling or Not to Bling.

Choose between a mirrored or a matte black finished mounting bracket. We've got both extremes to the extreme!

No Minor Setback.

Made from heavy-duty powder coated stainless steel, the offset mounting bracket positions your mud flap back, adding extra clearance to protect the world from your huge tires.

Take a Ride on the Wide Side.

With 12 or 14-inch options, our flaps cover more than the full-width of your tires for better protection from the road's rage.

REMOVABLE MUD FLAPS

Show Your Flaps Who's Boss.

Whether on or off-road, you're the boss of these mud flaps.

Made from our durable AntiSpray™ material and your choice of 14-gauge laser-cut Stainless Steel or Textured Black Matte finished anchor weights, our easy to install Mud Flaps allow you the option of adjusting their angle or even removing them all-together for extreme off-roading.

REAR

*BLACK TEXTURED
STAINLESS STEEL*

Get Your Micro-Groove On.

Our AntiSpray™ material is formed with Micro-Grooves™ designed to funnel the muck (like water, rocks and mud) back down to the road where it belongs.

Keeps Your Flaps from Flappin'.

Our burly 14-gauge anchor weights give you the perfect balance of weight and durability to keep your flaps positioned right where you want them.

To Bling or Not to Bling.

Some like it shiny, some don't. Choose between a mirrored finish anchor weight or a matte black finish. We've got both extremes to the extreme!

Pointed in the Right Direction.

Different situations call for a different pitch. Now you're completely in control to adjust your flaps however, wherever you want.

To Flap or Not to Flap?

Some scenarios call for the removal of your mud flaps. Say no more. Just slide them off when you don't want them and put them back when you do. It's eaaaaasy.

Take a Ride on the Wide Side.

With 12 or 14-inch options, our flaps cover more than the full-width of your tires for better protection from the road's rage.

& Find Your Application!

Product Features

Is it a flare? Is it a flap? It's both, man.

The Long John one-piece universal fit mud flap provides the coverage of a fender flare and mud flap. You could call it the "multi-tool" of mud flaps, for whatever that's worth.

High and tight, or long and strong, it's your call.

Adjust 'em high, install 'em low, or set them smack-dab down the middle. It's your call, your Highness.

Mud Grabber Fender Flares

THE COVERAGE YOU NEED.

You're a man who wants it all. A cool truck, some big tires and a pony. Lucky for you, Husky Liners universal fit Mud Grabber Fender Flares have you covered. Made from a tough-as-nails synthetic rubber, our Mud Grabbers protect your ride and those around you from the rage of the road. Plus, they're easy to install, come with a lifetime guarantee and are ridiculously affordable — leaving you the extra cabbage to finally buy that pony.

Product Features

Eeeeeeeasy.

Our Mud Grabbers are ridiculously easy to install. Just turn a couple of screws and you'll be on the road to off-roading in no time.

Keep the muck off your truck.

The one-piece universal fit fender flares provide the coverage to keep the muck off your truck. Plus, the low profile design delivers a rugged look to compliment your gargantuan tires.
